This isn't my teddy bear!

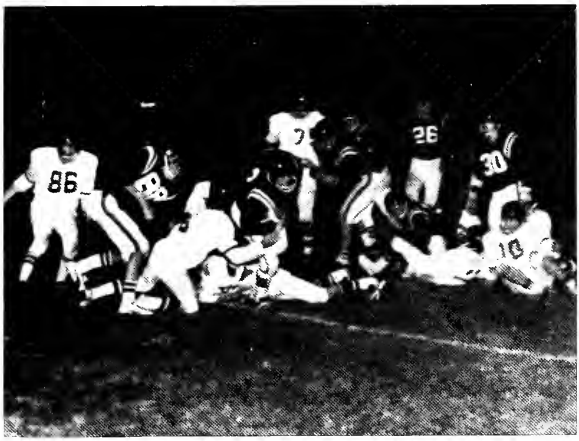
Football



Montrose had a fine season this year and was sparked by its 3 all-league performers - Dave Severn, Rob Persails, and Terry Paxton. The rams were in contention for the league championship until the very end. When quarterback Ken Feher broke his finger at mid-season the future looked bleak, but the team rallied behind Junior Tom Burnison for a fine 6-3 season.

The Montrose Wrestlers started out as if they wanted to win a championship, and they did. The Varsity, led by the Severn brothers, upped its winning streak to 40 wins, while the J.V. upped theirs to 45 wins, both going undefeated this season. Dave Severn Tours Russia

Combination Restaurant and Museum

Dave qualified to go to Russia by winning in many different summer wrestling tournaments nationwide. Upon completing these, he went to training camp in Nebraska for a week, after that he flew to Moscow. In Russia he wrestled in six different towns in 22 days, and met with many of the Russian people. After completing the wrestling schedule, he couldn't wait to get back home to the United States.

Basketball at Montrose made a complete turn around from last year, from a 6-16 dismal season to a 16-5 season and still going strong in the state tournaments. Led by their 3 high school All-Americans Ken Feher, Jim Ellis, and Rob Persails, the roundballers were a delight to watch. Dallas Parks, "Mr. Hustle" had a fine senior season, and the added strength came from Lee Morse, Jim Cole, and Don Stratton. The spirited bench support came from Joe Eicholt, Brian Persons, and Ross Driver. Coach Beale can expect many fine seasons in the future.

The freshmen rode an agressive defense to the County B league championship, and a 16-1 overall record. The frosh averaged 63 points per game while surrendering a mere 31 points per contest. There were no stars on the freshman team, but there were no weak links as the Rams enjoyed balanced scoring and a strong team pride in defense in every game they played. The future looks bright for these Freshman Rams.

Although they didn't get too far in the state tournaments we all have big hopes for a championship season next year.
